If you judge the Bear's 1979 football season by its win — loss record alone, you will miss the true talent, determination, and potential of the team. This year's team was the fifth best scoring team in Ursinus' history. Led by quarterback Craig Walck and wide receiver Jay Repko, Ursinus set several MAC records: most yards passing in one game (402), most touchdowns passing in one game (Walck, 4), most touchdown receptions in one game (Repko, 3), most yardage in pass receptions in one game (Repko, 256). After getting off to a disappointing start, losing two games in the last minute, and three games by a total of nine points, the team came back to win three of their last four games. Walck was named as the first team quarterback in the ECAC Southern Conference and along with tight end Jeff Carlow received MAC Honorable Mentions. The Bears look forward to a promising season next year with all of their starters returning.

# Field Hockey

The field hockey team had a very fine season this past year. Led by senior co-captains Jan Zanger and Kim Thorne, the team finished second in the Regional Tournament at Temple. This qualified the team for the National Tournament at Princeton where they ended the season sixth in the nation! Another highlight this season was a 1-0 shutout over arch rival West Chester State on Homecoming Day. Joanne McPhillips had an excellent season in goal for the team while Lori Holmes, Jill Snyder and Trace Davis were all major scoring threats.

The third and fourth hockey teams joined as a unit and shared much dedication and determination this year. Even though they went through the 1979 season practically unnoticed, the team established a sense of unity and closeness both on and off the playing field. Memories will be shared by all the girls on this year's team and next year promises to be another exciting season for both the third and fourth hockey teams.

The soccer team, led by co-captains Jeff Jewitt and Tony Esposito, finished with a 10-5-1 season. The defense, led by the superb play of Bill Morehouse, Jeff Jewitt, Ricky Hope, and John Signorino, frustrated many attacking forwards while goalie Jim Birchmeirer shutout five teams. Greg Gifford, Dave Butz, Tony Esposito, Brian Barlow, and Rob Thomas led the potent Ursinus offense. This season was Ursinus' best ever, and with most of the starting team returning next year, the Bears will have an excellent shot at the MAC crown.

The Ursinus harriers, coached by Robert Shoudt, strolled through the dual meet portion of their season with a record of 11-0, stretching their unbeaten streak to twenty-three meets. Throughout the season the top four runners were: Dave Garner, Ron Shaiko, Pat Walker, and Jon Perrotto. Garner capped off the dual meet season with a record shattering performance in front of the Homecoming Day crowd.

The season was culminated in November with the MAC Championships. The squad finished third in the MAC's and placed four men in the top twenty: Garner (7th), Shaiko (8th), Walker (13th), and Perrotto (20th). The following week, the "Golden Bears" returned with hopes of qualifying for the NCAA Division III National Championships. However, the harriers fell just short of their goal as they finished sixth out of some forty-three eligible teams.

Losing no one to graduation, the team members are optimistic about the 1980 season.

# Volleyball

With the addition of a new coach, Bill Sutherland, and a delayed start in pre-game practice the women's volleyball team had a frustrating beginning. However, those initial losses only made the team realize its potential and the list of victories began to grow. The girls succeeded in gaining a consolation trophy in the Philadelphia Invitational Tournament by defeating Immaculata who had been victorious over Ursinus in an earlier contest. Three days later, the team traveled to Drexel for its last game of the season. It was a previous loss to Drexel that cost the girls the winners bracket in the Philadelphia Tournament. But in a spectacular, hard fought match, Ursinus gave Drexel its only league loss of the season. The two senior co-captains, Lori Armbrust and Kathy Smith, leave the team with an optimistic outlook for an even better season next year.

# Basketball

When practice began on October 15, there was something new and different in the air. A sense of dedication and purpose was distinctly evident. Team members knew that 1979-80 would be an exceptional season.

Enthusiastic fans came out in large numbers as the Bears defeated Widener twice and brought home the MAC Southeast Championship with a victory over Swathmore. As a result, the Bears entered the MAC playoffs for the first time since 1968. In the opening round, Ursinus downed Western Maryland. Despite an overtime loss to Dickinson in the final round of the MAC's, the Bears were selected to compete in the NCAA Mid Atlantic Regional playoffs for the first time in the school's history. In the process of making the playoffs, the team collected more wins than any other men's basketball team at Ursinus.

For the first time in four years, the women's basketball team finished above .500. The team was considerably stronger and faster than last year's team. Freshmen Mairon Crowell and Margaret Tomlinson gave the Bears much needed height underneath, while guards Regina Eckardt and Jan Gable were quick on defense. Sophomores Gwen McKeon, Lynda Nelson, Sally McGrath, Wendy Bjornson and Beth Repko all contributed with their aggressive play and fine shooting. Steady performances by Betsy Haag and Pam Brown helped solidify the team's overall effort while seniors Kim Thorne, Andy Wickerham and Jan Zanger contributed with their leadership and experience. The team sported an overall record of 13-8 including an upset victory over West Chester, and placed second in the MAC's. With the nucleus of the team returning next year, this year's winning season should be the first of many for Ursinus' women's basketball.

Also, the team was represented in the Regional Championships by sophomore Carol Hess on the uneven parallel bars, and by freshman Becky Thorn as an all around competitor. The 1979-1980 wrestling season was one of ups and downs. Led by co-captains Rick Moser and Greg Gifford, the Bears compiled a 6-10 record. Despite several vacancies in the lineup, only four out of sixteen team's outscored the Ursinus wrestlers man for man!

The Bears lone senior, Rick Moser, finished his college career with an impressive 54-16-1 record. In his three years as a wrestler, Moser placed third in the MAC's twice, qualifying him both times for the NCAA Division III National Championships.

Junior Greg Gifford ended his third year on the team by raising his undefeated dual-meet mark to a devastating 42-0-0. Gifford was voted the Most Outstanding Wrestler of the 1980 MAC's. Gifford went on to compete in the Nationals where he defeated his first two opponents but, due to a torn shoulder, had to default in the third round.

Other top wrestlers were sophomore Steve DeDufour who compiled an excellent first year 12-4 record including eleven pins. Sophomore Dave Viola compiled a 12-3 record and was fifth in the MAC's. Rounding out the lineup were Baptist Bible champ Bob Citta, and freshmen Dave Whitlock and Scott Browning.

The 1980 Golf team, led by seniors Greg Lecheler and Kevin Davies, compiled a fine 8-6 season. Victories over Moravian and Albright in the final match of the season powered the team into the MAC Championships. Poor weather, however, resulted in only average scores for all the team members. Next year promises to be an even better season for the Bears with most of the team members returning to the links.

# Tennis

This year's tennis teams had high hopes for very successful seasons. With the help of two freshmen, the men's team looked forward to bettering their 4-7 record of last year, while the women's team also hoped to improve last year's mark.

The men's team started out slowly, as is their trademark, losing their first four matches. However, they rebounded and proceeded to win the next five out of six matches to finish the season at .500. The women's team played consistantly throughout the season and also ended up at .500.

With most of the players returning, the 1981 season should prove to be very successful for both the men's and women's tennis teams.

The 1980 baseball season was very successful for new coach Bruce Piker and the Bears. Led by strong pitching from seniors Ray "Doc" Dougherty and Joe Groff, plus good bench strength, the Bears compiled a 13-8 overall season record. Offense was a key factor on this year's squad with the Bruins scoring ten or more runs in seven games. The Bears attack was led by juniors Craig Walck and John Blubaugh while strong defense was provided by third baseman Jim Drevs and outfielder Joel Ashinhurst.

There are optimistic hopes of improving this year's 7-3 MAC southeast record because most of this year's starters will be returning to action next year.

 Row 3: Debbie Tweed, Traci Davis, Jan Gable, Sue Darwin

The 1980 Ursinus Women's lacrosse team had an excellent season finishing with a record of 12-1-1. The only loss came to a strong University of Maryland team and the tie was with nationally ranked Penn State. Six of the twelve starters for the Bears were members of the United States Women's lacrosse team who played a successful series against an English touring team.

This year's attack was led by seniors Sue Kelley and Dawn Anthony, juniors Laurie Holmes, Gina Buggy and Sue Morley, and sophomore Traci Davis. Strong defensive play came from senior co-captains Susan Hawes and Janet Miller, juniors Sue Darwin and Debbie Tweed, and freshman Jan Gable. Barb Mjota did an outstanding job for the Bruins in the goal cage.

Next year promises to be another exciting year for the women's lacrosse team.

The 1980 Ursinus Track and Field team finished their season with a record of six wins and four losses. The season, although not quite as successful as in years past, produced many positive accomplishments. The freshman class added several bright spots to the season, with outstanding shot put and discus performances by Dave DiMattia. Tim Grant and John Summers added strength in the 200, 400, and 800 meter races; while Roland Desilets ran well in the mile and 1500 meter runs. Dave Belson found success in the 100 and 200 as well as in the jumping events.

The sophomore class contributed strong efforts in several events, such as the three mile, with excellent times by Jon Perrotto and Pat Walker. Tom Broderick came on strong at the end of the season to clear 6'6" in the high jump. Keith Beck provided consistent point scoring throws in the javelin, as did Mark Adams.

Juniors Rory Wade, Steve Schaffer, Ron Shaiko, and John Sweeney consistently contributed first place points toward team victories.

With the loss of only three seniors, captains Craig Davis and Gil Freeman, and three-miler, Joe Figurelli, next year's team should be quite strong.

# Softball

Under first year coach, Carolyn Ellis, the Ursinus Women's softball team posted a 5-8 record. Faced with tough competition from division I teams, the team still came out ahead. The highlight of the season came with the surprising victory over the University of Delaware. The girls battled to an 8-7 win in eleven innings.

The team is composed of mostly underclassmen with the class of 1982 representing all of the infield positions. This is a good sign for years to come. The team loses three seniors through graduation — Patti Davis, Linda Lewandowski, and captain Angie Morrison.

One aspect of this softball season was the great change in attitude among the players. The team remained enthusiastic and more importantly, all the team members enjoyed the season. It is hoped that next year's team will gain more support because they should prove to be an exciting team to watch.

It has been our pleasure to bring you only the finest music and programming, not only this year but in the four years that I have had the good fortune of working with the radio staff.
